

GOVERNOR'S ADVISORY COUNCIL ON AGING

LOCAL SENIOR ACTION DAYS – 2007

Local Senior Action Days are opportunities for older Arizonans to speak directly to their state legislators and to share their ideas, needs, and concerns about aging in Arizona. The Senior Action Day forums are open to the public. There is no cost to attend and RSVP is not required. All events are held on FRIDAYS when the Legislature is typically not in session and legislators frequently return to their home districts.

Join us for the Senior Action Day in your area and let your voice be heard!
